### PHYSICAL EDUCATION SEMINAR TO BE HELD

MISSOULA--

Dr. John Lawther, professor emeritus at Pennsylvania State University and a visiting professor at the University of Montana Health and Physical Education Dept., will speak at a seminar for all students and staff members of the department, Thursday, November 16.

The seminar will meet at 7 p.m. in Room 216 of the Women's Center.

At the meeting, Dr. Lawther, who is replacing Dr. Brian Sharkey while he is on a one year leave of absence, will discuss the content of his courses for the next two quarters.

Dr. Lawther is the leading authority in the world today in the areas of psychology of athletics and in motor learning as applied to the areas of physical education and athletics. He belongs to numerous organizations and has written several articles and books, including a chapter on "Learning Motor Skills and Knowledge" in Skinners Educational Psychology. A text on Motor Learning is to be published by Prentice-Hall in 1967.
